

## How Can I Find My Bangle Size?

To determine your bangle size, follow these steps:

STEP 1: Close your fingers together and pretend that you were putting on a bangle

STEP 2: Wrap a tape measure around your hand at the widest point. This is the circumference of your hand.

STEP 3: Compare the number to the chart below. A bangle with the diameter one size up, is the bangle size you need.

<i>Diameter</i>	<i>Circumference</i>	<i>Size</i>
2"	7" to 7 1/4"	XSmall
2 1/4"	7 1/2"	Small
2 1/2"	8 1/4"	Medium
2 3/4"	8 3/5"	Large
